

MISCELLANEOUS.

The AMALGAMATION OF LANGUAGES.—There is a "growing tendency in this age to appropriate the most expressive words of other languages, and after a while to incorporate them into our own; thus the word Cephalic, which is from the Greek, signifying "for the head," is now becoming popularized in connection with Mr. Spalding's great Headache remedy, but it will soon be forgotten, as the name of the drug and Cephalic will become as common as Electrotype and many others whose distinction as foreign words has been worn away by common usage until they seem "alive and to the manor born."

FARDY REALIZED.

He'd in 't terrible headache this afternoon, had I stepped into the apothecaries hand says to him, "Can you have me one of 'Fardys'?" "Does it have 'ard?" says he. "Exceedingly," says he. Hand upon that's gave me a Cephalic Pill and said me, "one it cured me so quick that I hardly realized I had 'ad an headache."
